

**ILLINOIS ASSOCIATION PLUMBING, HEATING, COOLING ONTRACTORS
AUXILIARY**

Dear Illinois PHCC Members, Associate Members, & Industry Friends;

The annual 2012 Illinois PHCC Expo will be held this year on Friday, March 23, 2012 at the Drury Lane Conference Center, Oakbrook Terrace, Illinois. This is one of the best state product shows in the nation.

The Auxiliary will again publish a Souvenir Program Book to be distributed to all Expo participants as we have for the past 30 years. These attendees are contractors, inspectors, architects, engineers, and suppliers in the plumbing, heating and piping field as well as their field technicians. These are the people who recommend products to the general public. This Ad Book is handed out free to all attendees of the Expo, which last year totaled over 1600 people. This figure alone is one good reason to participate by advertising your business.

Through this Auxiliary project we have raised money to provide scholarships, helped to further industry public awareness, and purchased supplies for the Illinois PHCC office in Springfield.

We would appreciate your support by placing an ad in the 2012 Souvenir Program Book. Enclosed is an Ad Order Form. Deadline for the Ad is February 10, 2012.

Sincerely,

Barbara Miller
