PRESIDENT'S THOUGHTS

by Kevin Kuhn
Illinois PHCC President

Our recent installation event in Bloomington this past June brought many of our State Chapter members together in person to mark an important occasion, and standing among our association leaders as our terms of office began was a terrific and memorable experience for me. Throughout each year, the Illinois PHCC offers numerous opportunities for us to gather as industry peers. Whether it's at a meeting; a live CEU event; our annual "Expo;" or a virtual function where we may see one another on a computer screen – the membership in our state chapter binds us together. But it's rare (or even impossible) for all of us to be at the same place at the same time, in person.

This issue of "Illinois Master Plumber" serves as our state chapter's annual membership directory, and it therefore includes all of us within our state chapter. Every company or organization that currently belongs to the Illinois PHCC is contained in these pages. Having everyone's contact information makes it possible to network, to keep in touch as needed, and it offers us a chance to "connect," to share information and to build working or personal relationships if we so choose.

I can attest to the fact that I have referred to this directory often since I became more involved in our state chapter, and it's a resource that I appreciate. It is my hope that you also find it useful, and also that you will support us in one important goal: to help the Illinois PHCC grow. If you know of a plumbing or HVAC company that is not listed but you believe *should* become a member of our chapter, please reach out to them and invite them to join. Explain the value that the PHCC brings – through the information you receive; the education that is available to you; the benefits you take advantage of to grow your business; resources you count on as a member; and just as importantly, the chance you have to share ideas or experiences with your industry peers.

In closing, as you flip through this special issue, keep this in mind: none of us is as strong as all of us.

-Kevin

H.R. STEWART, INC.

Heavy Sewer Cleaning & Televising

- Sewer Jetting – up to 72 inches
- Steerable Mainline Televising – 4 to 72 inch, lengths up to 850 feet

PLUMBING CONTRACTOR REGISTRATION RENEWAL TIME

All plumbing contractors registered with the Illinois Department of Public Health will receive a renewal form in August. Even though you may be renewing online, you must still email the insurance and bonds.

In the event that the online renewal should become unavailable, follow the instructions on the renewal form. If your renewal forms and payment must be sent by mail, you will still be able to email the insurance and bond documents.

Please make sure you look at all the materials carefully and submit your renewal as soon as possible - DON'T DELAY. Your registration is NOT considered renewed until full payment and your renewal documents (i.e. Surety Bond, Certificate of Insurance) are received. **All of these items MUST be received on or before September 30th to avoid late penalty.**

Questions on renewals may be directed to the IDPH Plumbing & Water Quality Program at dph.plumbing@illinois.gov.

Don't Be a Silly Goose and Duck Out on This Opportunity to Promote Your Products & Services. Advertise in the next issue of the Illinois Master Plumber!

Each month the Illinois Master Plumber is mailed to members and non-members of the Illinois Association of Plumbing-Heating-Cooling Contractors. Included are plumbing, heating, cooling and mechanical contractors, architects, engineers, home builders, general contractors, wholesalers, building inspectors, labor officials, and underground and utility contractors.

The professionals who receive the publication are those who make decisions to purchase products and services such as yours. Our purpose is to provide the reader with current, useful information and to help the contractor be more successful in business. We also want to provide our advertisers a premier showcase for their products and services. A publication that not only contains the latest in business and industry news, but a publication that can be a resource for the contractor. We invite you to take a look at the Illinois Master Plumber. We are sure you will see the benefit of advertising in our publication, which is one of the primary sources of information for the contracting markets in Illinois and surrounding states.

View our Media Kit at <https://www.ilphcc.com/illinois-master-plumber> for more information and pricing.

STYLE THAT DROPS IN!

ACORN-SINKS®

Acorn-Sinks®, a new line of versatile stainless steel drop in and undermount sinks, features single and double bowl configurations, including for ADA purposes, with hole punch options and sound-deadening pads.

Ideal for commercial and institutional applications such as...

- Classrooms
- Office building break rooms
- Restaurant prep
- Healthcare patient rooms
- Lobby bars
- Assisted living units

Acorn-Sinks feature lasting durability and an appealing aesthetic that complements any countertop. Sinks can be customized with single or double basins, drop-in or undermount styles, and various sizes, faucet configurations, and basin depths.

FREE ADS FOR PHCC MEMBERS

Did you know that as a member service, Illinois PHCC members can place up to two free classified ads per year in the Illinois Master Plumber magazine? The ads can be up to two column inches in size and can be used to advertise employment opportunities or industry items for sale.

Contact the Illinois PHCC office to take advantage of this opportunity to get rid of that excess inventory or unused tools and equipment. You can email Bev (bev@ilphcc.com) or Shelly (shelly@ilphcc.com) with your ad.

TORVAC®

A Division of DARLING RESTAURANT SERVICES

GREASE REMOVAL, PUMPING, JETTING

Our Vactor Truck is the most powerful vehicle in the industry, which can open even the most clogged lines.

Using state-of-the-art equipment like this enables

Empower Your Team to Help Prevent Cyberattacks

Human error contributes to 82% of data breaches, making your employees a crucial line of defense against [cyber threats](#).¹ A single mistake could expose your business to a data breach. This could lead to data loss, downtime, and a negative impact on your bottom line.

Train Your Employees to Help Prevent Cyber Threats

- **Recognize Phishing Red Flags**
Teach your team to spot suspicious emails by looking for signs of phishing, like generic greetings, misspellings or grammatical errors, or urgent language asking for immediate action. Consider using phishing simulations to train employees.
- **Enforce Strong Password Policies**
Encourage employees to use complex passwords and avoid reusing them across sites. Implement multi-factor authentication for an added layer of security.
- **Promote Safe Attachment Practices**
Advise employees to only open attachments from known, trusted sources. If in doubt, they should verify the sender's identity before downloading.
- **Keep Credentials Confidential**
Stress the importance of keeping login credentials private. Ensure employees understand the dangers of sharing passwords, even internally.
- **Limit Use of External Devices**
Require approval for use of external devices, and remind employees to avoid inserting unfamiliar USB drives. Use endpoint protection software to help reduce these risks.
- **Mandate Regular Updates**
Keep systems, software, and devices up-to-date by automating updates whenever possible. Additionally, encourage employees to regularly [back up data](#).

Looking to learn more about [common cyber threats](#) and how to help prevent them to keep your business safe? [Reach out to your local Federated Insurance® marketing representative](#) today for more information.

MANDATORY SEXUAL HARASSMENT PREVENTION TRAINING

Public Act 101-0221 (commonly referred to as the Workplace Transparency Act), requires Illinois employers to provide sexual harassment prevention training to their employees on an annual basis, regardless of the size of the company.

Under this law, Illinois employers have until December 31st each year to train employees on sexual harassment prevention. The Act provides minimum standards that must be included in the training. To assist your business in complying with this new law, the Illinois Department of Human Rights has posted the following information on its website:

- A FAQ for Sexual Harassment Prevention Training
- Minimum Sexual Harassment Prevention Training Standards for All Employers

Employers must either develop their own sexual harassment prevention training program that equals or exceeds the minimum standards for sexual harassment prevention training outlined in Section 2-109(B) of the Illinois Human Rights Act, or they may use the model training provided by the IDHR. The model training program can be downloaded by visiting <https://www2.illinois.gov/dhr/Training/Pages/State-of-Illinois-Sexual-Harassment-Prevention-Training-Model.aspx>

For more information, please visit IDHR's website at www.illinois.gov/dhr/training.

THE ABC'S OF THE INDUSTRY

Today's world is full on acronyms. The following is a list of some of the ones we frequently use in our industry.

ABPA-American Backflow Prevention Association
AEC-Association Executives Council of PHCC
AG-Attorney General
AGC-Associated General Contractors of America
AIA-American Institute of Architects
ANSI-American National Standards Institute
ASA-American Subcontractors Association
ASA-American Supply Association
ASPE-American Society of Plumbing Engineers
ASSE-American Society of Sanitary Engineering
ASTM-American Society for Testing & Materials
AWWA-American Water Works Association
CCA-Construction Contractors Alliance of PHCC
CCCDI-Cross Connection Control Device Inspector
CDA-Copper Development Association
CDB-Capital Development Board
CISPI-Cast Iron Soil Pipe Institute
CSA-Canadian Standards Association
ERTC-Environmental Resources Training Center (Backflow Classes)
IAPMO-International Association of Plumbing & Mechanical Officials
ICC-International Code Council
IDPH-Illinois Department of Public Health
IEPA-Illinois Environmental Protection Agency
IMSCA-Illinois Mechanical & Specialty Contractors Association
IPEA-Illinois Plumbing Education Association
IPIA-Illinois Plumbing Inspectors Association
JCAR-Joint Committee on Administrative Rules
NFPA-National Fire Protection Association
NECA-National Electrical Contractors Association
NSPC-National Standard Plumbing Code
QSC-Quality Service Contractors of PHCC
UA-United Association of Plumbers & Pipefitters
UAC-Union Affiliated Contractors of PHCC
